Description

Townhouse offered in its current condition with a renovation and extension project and licence in Santa Catalina , Palma .

This property presents an opportunity to acquire a townhouse requiring renovation, together with an existing architectural project and the corresponding licence. The asking price refers to the property in its current condition and does not include the execution or completion of the renovation works.

The proposed project has been designed to create a contemporary residence arranged across three levels, complemented by a rooftop terrace. According to the project documentation, the planned layout includes two bedrooms, three bathrooms, a guest toilet, an open-plan kitchen and living area, a garage, a lift serving all levels and a principal bedroom with a dressing area and en-suite bathroom.

The proposed rooftop area includes a jacuzzi, an outdoor kitchen and barbecue area, creating a private setting for outdoor living in the heart of Santa Catalina .

The proposed project

Renovation and extension project

Location

The property is located in the heart of Santa Catalina, Palma.
